EDUCATION

PAF-IAST (Pak-Austria Fachhochschule Institute of Applied Sciences and Technology)

2024 – Present

Bachelor of Science in Artificial Intelligence • 4th Semester • CGPA: 3.53 / 4.00

Relevant Coursework: Object-Oriented Programming, Data Structures & Algorithms, Operating Systems, Artificial Intelligence, Professional Ethics, DBMS

SKILLS

Languages	Python • C++ • C • SQL
AI / ML	LLMs • NLP • Prompt Engineering • Claude API
Tools & Platforms	n8n (Automation) • Supabase • Git • Oracle Cloud
Other	Workflow Automation • API Integration • Technical Writing

PROJECTS

F1 Race Analyst – Automated Post-Race Workflow

2026

- Built a fully automated n8n pipeline that fetches F1 race data, generates AI-driven analysis and commentary, and publishes to Facebook, Discord, YouTube Community, and Gmail newsletter.
- Integrated Supabase for structured data storage and Telegram for real-time completion alerts.

Data Warehouse System

2026

SQL, Database Design

- Designed and implemented a relational data warehouse system with optimized schema, fact/dimension tables, and complex analytical queries.
- Demonstrated proficiency in data modeling, ETL concepts, and SQL performance tuning.

EXPERIENCE

IT Intern

2024

ALA Law Firm • Pakistan

- Assisted legal team with data storing, virtualizing the workflow, and IT support.
- Gained exposure to professional legal workflows and office environment.

CERTIFICATIONS

Oracle Cloud Infrastructure 2025 Certified

2025

Oracle • Credential verified by Oracle University

- Demonstrated foundational knowledge of Oracle Cloud Infrastructure services, architecture, and deployment models.

EXTRACURRICULAR ACTIVITIES

Founding Member & Treasurer – TEDxPAFIAS

2025 – Present

TEDxPAFIAS • PAF-IAS

- Served as Spokesperson in the founding (1st) tenure, representing the organization in official communications and events.
- Treasurer in the 2nd tenure, managing financial planning, budgeting, and event expenditure for TEDx events.

Content Strategist – ScaleUp

2024 – 2025

ScaleUp Student Society • PAF-IAS

- Developed content strategies and created digital content to promote entrepreneurship and business awareness among students.

Marketing Team Member – UEMS

2024 – 2025

University Event Management Society • PAF-IAS

- Contributed to marketing campaigns and outreach efforts for university-wide events and activities.
